OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 21 May 1969

25X1 1. [ ] Carl Marcy, Chief of Staff, Senate Foreign Relations Committee, called to say he was sending over a draft speech which he would appreciate we review informally from a security standpoint. (See Memo for the Director explaining details.)

Later in the day Jim Lowenstein called and explained that they wished a response urgently, preferably by 22 May.

25X1 2. [ ] Jim Lowenstein, on the staff of the Senate Foreign Relations Committee, called to say that Senator Claiborne Pell (D., R.I.) wanted unclassified figures on the total number of Soviet and U.S. troops in uniform. I referred the matter to [ ] OSR.

25X1A [ ]

25X1A In the same conversation, Symington jokingly asked if it was true that Papandrea and I were going into the used car business. I said, there was nobody I would less like to go into partnership with. Symington said Papandrea was a s. o. b. and had grossly misquoted him in a public statement.

25X1 4. [ ] David Muchow, BOB, called in connection with H. Con. Res. 80 introduced by Representative Frank Annunzio (D., Ill.) expressing the sense of Congress against the persecution of persons by Soviet Russia because of their religion to determine if the Agency's position (factual statements) reported in previous years in connection with similar resolutions had materially altered. Muchow said that State's report to the Foreign Affairs Committee on H. Con. Res. 80 is consistent with State's previous reports on this subject, namely against official condemnation and in favor of continuing efforts by private groups to improve the situation. I told him we would check with the substantive people and be back in touch tomorrow.
